

The Visual Poem of the Ramayana

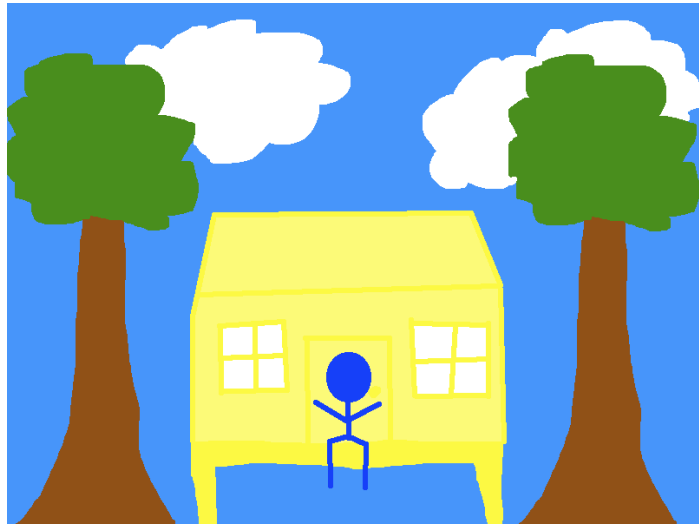

BY: Philip Jun 6B

The childless King Dasharata makes a sacrifice as a heir,
and the lord Vishnu decides to come as a human with hair.

Vishnu comes as the king's
son, Rama,
Who is a big fan of Obama.

Rama is exiled for 14
years,
After Bharata becomes
king with big ears.

Rama lives in the forest
with his brother and wife,
while he is risking his life.

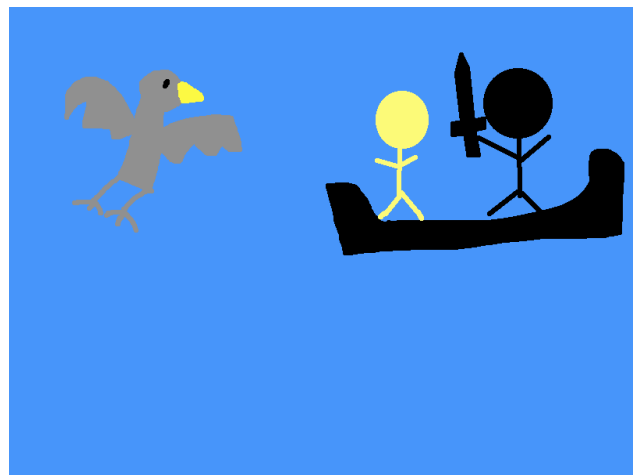

Rama's Father, the king, dies
But Rama refuses to return.

Surpanakha comes to see Rama and
wants to marry him,
But Rama does not like her and
Surpanakha is no longer slim.

Surpanakha goes crying to her brother,
and he sends demons to kill Rama with
smother.

Ravana comes and kidnaps Sita the
wife of Rama,
But Jatayu dies trying to save Sita
while Jatayu is the Pet of Obama.

When Jātayu dies of much
Scorn,
There is Samsara for he
might be reborn.

Rama goes to Hanuman
for help,
while Sita yelps.

Hanuman and Jātay
followed their dharma,
for both will have good
karma.

After a searching for a long time,
Hanuman finds Sita in a shrine.

Hanuman and Rama decide to fight,
With the demons in flight.

Rama and Hanuman kill everyone and get Sita back,
while Rama gets back on his track.
